

Southeast Texas Dulcimer Friends

Meeting the second Saturday of each month
Rosedale Baptist Church, 7110 Concord Road, Beaumont, Texas
1:30 – until

July 2010

From The Prez:

At our August meeting (8/14) we will have the annual **BirthDay Party** to recognize the anniversary of the formation of the club. It is always a good time of food, fellowship, and of course, music. Keep practicing for the birthday party Talent Show. Our annual concert for Rosedale will be **on Sunday, September 12, at 5:00PM**. We will run through the concert playlist at our regular meeting **on September 11**. This year we will have a fellowship and meal with the Rosedale church family following the concert. We'll work out more of those details at our August meeting. I'm looking forward to seeing you all at our next meeting, especially those who we have been missing lately.

Darrell's Dulci-News:

We had a good Snak N Jam in Buna at Van and Mary Beth's First Methodist Church on July 22. Then, on July 23 we played for John J French children's Camp. Next, we helped Shelia and Keith celebrate Keith's 50th birthday on Saturday and from there we went to Orange to the Faith Methodist Church to perform. Monday, July 26, we attended Bing Futch's workshop at the Florida Ave Baptist Church in Beaumont and from there we went to the Logon Café to listen to Bing's concert.. It's been a wonderful experience to make all these plays, workshop, and birthday celebration!

Hazel's Notes:

Party, party, party! It's party time. Looking forward to our 16th birthday celebration. If you have two tunes you would like to perform, please do so. Even if you are a beginner or have played for

several years, we look forward to hearing what you can do.

Attached to this newsletter, you will find a copy of the "Four Fret Box Scales" taught by Bing Flutch. With his permission, we can share this with the club. It shows where the notes in a scale are for different keys while in DAD. The notes are confined to a "box" area on the fret board. I thought you might be interested in knowing this.
