

# Southeast Texas Dulcimer Friends

Meeting the second Saturday of each month  
Rosedale Baptist Church, 7110 Concord Road, Beaumont, Texas  
1:30 – until

September 2010

## From The Prez:

This year's Rosedale Concert weekend gave us a couple of surprises. First, we had to move our meeting to the sanctuary because the fellowship hall, where we usually meet, was already full of chairs and tables. Then the medleys I put together on the playlist turned out to be more challenging than I thought. Not everything went according to what we were expecting.

In spite of that, I was never more proud of you all. I think everything went without a hitch and the concert sounded wonderful. I thank you for your patience and hard work. I enjoyed the concert and the fellowship meal with Rosedale afterwards.

Woodville Heritage Festival is coming up October 16. We're going to have a good crowd of musicians there. We'll need to bring our club name tags because they will not make tags for us this year. (Actually, it has been a few years since they made name tags for everyone who registers ahead of time.) It's not too early to get ready for our Christmas plays. They will be here before you know it! Let's jam!

## Darrell's Dulci-News:

9/11/2010 Meeting

The meeting was opened by Steve Clark. There were no minutes from the August meeting, since there was no business meeting. Will McLean gave the treasurer's report. There was a short discussion about the amount of money in the account and the possible

need to disburse some of it. The report was approved as read. Darrell Hall gave the communications report. He mentioned that it was time to get ready for the Christmas plays. He also mentioned the Woodville Heritage festival on October 16. There was a short discussion about the Hunt's wiener roast. It was tentatively scheduled for October 2, subject to change. Hazel Hall discussed the Christmas music. There was no old business. Keith Faske reported that the website had been updated with links to free tab sites. He also reported that the club has a link on Facebook. Under new business, Steve suggested that we should increase the donation to Rosedale Baptist and will bring that before the club in the form of a recommendation. Keith suggested buying a computer for the club. After a short discussion about converting the music to PDF files, the suggestion was tabled. The next snack and jam will be September 23 at the church of the Nazarene in Vidor. The meeting was adjourned.

Will McLean  
Secretary/Treasurer.
